

Protect Your Investment with Patrol Services

Visibility is a powerful crime deterrent. By their presence alone, uniformed patrol officers can help enhance theft on your property. Whether officers patrol on foot, on bicycles, on Segways or in vehicles, they are trained to notice anything out of the ordinary and to prevent problems before they start.

Some of the ways patrol services may be able to help you include:

Vehicle Patrol

- Making visible rounds in a distinctive, marked car
- Touring property as well as parking decks and lots
- Driving through the property in random patterns
- Vacation watch and community watch programs

Foot Patrol

- Making a specified number of visits each day
- Checking the entire property, including grounds
- Checking windows, doors, locks, vehicles, loading docks, illegally parked vehicles and other
